**NBS in Torino with proGleg & citizens and educational programs involvement**

23.03 | 16:15

**Lambros Doulos**

Assoc. Prof., Hellenic Open University, Greece

**Lighting in the Urban environment, light pollution**

30.03 | 16:15

In the content of the course 'Theories Of Architecture, City And Landscape', (in the master program 'Sustainable Architecture and Landscape Design') POLIMI organises open lecture series in addition to a collaborative design activity with UNIWA which is participating with the design course 'Sustainable Design in Urban Spaces' (in the master program 'Interior Architecture: Sustainable and Social Design').

This design activity will focus on sustainability, collaborative design, and green-blue infrastructures, through the design of **Abandoned Train Lines: Case studies Piraeus and Piacenza**

Join us **in-person** in AULA C, Polo territoriale di Piacenza (Caserma Neve) or **online** on Cisco Webex Meetings, Nerantzia Tzortzi's personal room via:  
<https://politecnicomilano.webex.com/meet/julia.georgi>

**Politecnico di Milano**

**P O L I M I**

**Nerantzia (Julia) Tzortzi**

Associate Professor, MLA, PhD

Dept. Architecture, Built Environment, Construction Engineering, POLIMI

**R.M.Cristina Musacchio**

Architect & Tutor at Politecnico di Milano  
Visiting Scholar at Neapolis University of Pafos

**Ozge Ogut**

Tutor, Architect & PhD Candidate in Landscape Architecture  
Dept. Architecture, Built Environment, Construction Engineering, POLIMI

**Laura Guaita**

Architect, MSc, graduated from POLIMI  
KEAN, Greece

**University of West Attica**

**U N I W A**

**Maro Sinou**

Associate Professor, MPhil, PhD  
Department of Interior Architecture, UNIWA

**Lambros Doulos**

Associate Professor, PhD, MSc  
School of Applied Arts and Sustainable Design, Hellenic Open University

**Roumpini Perakaki**

PhD Candidate & Urban Designer, MA  
Architecture, Sustainability & Urban Design, UNIWA

**Christina Chantiona**

MSc Candidate  
Interior Architecture: Sustainable and Social Design, UNIWA

**Katerina Timotheou**

MSc Candidate  
Interior Architecture: Sustainable and Social Design, UNIWA
